Your Kua Number: 6
(Filled in grid as it was not naturally present in DOB)

&p Areas to Improve

Emotional Balance (4, 5, 6): Moody, distrustful, critical, arrogant, lives in own shell

'(Influence of Repeated Numbers

80% of charts have repeated numbers. These reveal your strengths and challenges.

Number 1 appears 2 times
Determination and Freedom

Compassionate or Sympathetic: Expressing inner feelings through words is a difficult chore for these people. The second one is that they are kind of reserved, introvert and calm.

PERSONALITY & COMPATIBILITY

Personality Analysis (Life Path 5 + Destiny 11)

Vedic Numerology Analysis

You will fulfil all that you take up in life provided you have good name number. You will work far more efficiently for others than if you work independently. In case you work independently, you will remain confused between the choices to make. You are physically strong but mentally emotional or sensitive. You will get a lot of attention from the opposite sex.
